Radiofrequency Treatments

This revolutionary radiofrequency technology reduces the appearance of orange peel skin and firms the treated area. It also renews and regenerates collagen, resulting in facial contouring, long term tightening and improvement of overall skin texture.

Immediate visible results from the first treatment

Prices from £75.00

Cellulite Reduction

Skin Tightening

Facial Contouring

Body Remodelling

Non Surgical Cosmetic Treatments

We offer skin rejuvenation treatments to reduce the appearance of fine lines and wrinkles

Consultation

£65.00

30 minute consultation with Dr Wadhvani to discuss the correct treatment for your individual needs, this consultation fee is redeemable if you go ahead with treatment carried out by Dr Wadhvani.

Wrinkle/Line Softening

from £300.00

Dermal fillers are used for the treatment of facial lines, wrinkles and furrows. Results can last up to 9 months.

Muscle Relaxing

from £275.00

Injectables are used to selectively freeze certain muscle groups to dramatically reduce lines and provide elevation on the upper and lower face. Suitable for frown lines, forehead lines, crows feet, lip lines, jaw-line and neck.

Lip enhancements

from £300.00

Increase the volume of your lips and enhance lip lines using dermal fillers
